givejedahand #Onebravenight Sigmund #Freud to Carl #Jung "Here is my #picture #Baby! Please - keep it in the #Frame!". He kept it in the frame, but he threw the frame in the #GARBAGE! At #CAMHFoundation they STILL find it easy to #sellout #Freud. #Bell #letstalk #bellletstalk notwithstanding, they're not interested in talking about anything that matters or #mentalhealth at all. They're interested in #money #branding and above all #STIGMA - which enables them to #pimp #bad #drugs and #worse #hardware and #nonevidencebased #quickfixes that are - no better than #placebo? - no, #WORSE! That's #CAMHUnderstanding! #Madpride?!
